MEMORANDUM FOR: Deputy Director of Central Intelligence

VIA : Executive Secretary
National Foreign Intelligence Board

FROM : 25X1
Chairman

SUBJECT : EIC Monthly Activities Report for August 1983

Meeting of 24 August

1. The full Committee met on 24 August to consider two items of business--both initially tabled by the DIA representative.

- o We reviewed current procedures for interagency coordination of the Economic Alert Lists, and subsequently took steps to tighten those procedures so as to ensure that the language used in those lists had been reviewed by all concerned agencies prior to publication.
- o We also received a briefing by DIA of its current assessment of the Soviet aluminum industry.

Continuing Business

2. Because of last minute scheduling conflicts, the Army representatives were unable to attend the 24 August meeting, and could not introduce their proposal for expanding the EIC's role in assessing the effectiveness of economic intelligence guidance. Their presentation will be rescheduled for a meeting later this year.
